IMPARTING HOLISTIC, VALUE BASED EDUCATION

DR ALAM A. SISODIA
General Secretary, Vidya Bharati School

Dr. Alam A. Sisodia is a highly regarded legal consultant and the General Secretary of Vidya Bharati School. His significant contributions to education have brought about positive changes, enhancing the lives of students. He has revolutionized the education sector by advocating for holistic education that combines academic excellence, personal development, and values-based learning. Dr. Sisodia's leadership serves as a testament to the transformative power of hard work and dedication.

■ **What is your observation on the current milieu in the education sector and its evolving challenges?**

In today's 21st century, it has become essential to acquire the right skill sets that allow us to effectively apply and utilize that knowledge. Moreover, having the right attitude is crucial to thrive in our ever-evolving world. Success now hinges on our willingness to unlearn what we know and embrace new learning experiences to the fullest.

In this day and age, the primary goal of education should be fostering the development of a learning community that can adapt and navigate through the constantly changing landscape. It's all about creating an environment where individuals can collectively reshape their paths and stay ahead in this dynamic scenario.

■ **How is Vidya Bharati providing a beyond classroom experience to its students?**

At Vidya Bharati, education surpasses traditional textbooks and classrooms. We integrate the virtual world into our learning environment through interactive touch panels and high-end computers. Learning transcends physical boundaries and embraces digital platforms. We encourage our students to harness the power of digital media, including social media, as a valuable learning tool.

According to the Redseer report, Indians spend an average of 7.3 hours on their phones each day, surpassing both Americans and Chinese. We capitalize on this opportunity by advising students to watch educational videos and read articles before and after classes, effectively extending their learning experience. Vidya Bharati combines conventional teaching methods with digital resources to foster a comprehensive and captivating educational atmosphere.

■ **How is your school's vision and mission aligned with the new concept of education focused on skill orientation?**

Our mission is to empower students to acquire and demonstrate valuable knowledge, skills, and values,

enabling them to become lifelong learners who actively participate in and contribute to the global community. This mission explains our commitment to providing a skill-oriented education.

■ **To ensure the best of both textbook knowledge and practical knowledge, what initiatives has your school taken?**

We believe in providing students with a well-rounded education that combines textbook knowledge with practical learning experiences. To achieve this, we have implemented various initiatives. Our textbooks now incorporate practical aspects of learning, ensuring a comprehensive educational experience. Additionally, we offer a range of practical resources such as School Radio, a Digital Video Channel, Robotics, Social Science, Maths, and Digital Art and Animation Laboratories. These resources provide hands-on experimentation opportunities, complementing our textbook teachings.

■ **A sound body, a sound mind are essentials for healthy growth of young children. What efforts have you made in this direction?**

We have revamped our games and sports strategy by bringing around 250 children of the same age group together for 90 minutes under the guidance of expert coaches. Each game has two teams that regularly play matches with the children. Our approach focuses on developing skills beyond physical exercise, including teamwork, alertness, decision-making, and cooperation. Through these efforts, we aim to promote the healthy growth of young minds and nurture qualities essential for success.

■ **How have you leveraged technology for smart classes and smart learning?**

By integrating technology, we have created dynamic learning environments in our classrooms. Smart classes enable interactive and multimedia-rich teaching methods, enhancing the learning experience. This approach fosters engagement, interactivity, and provides access to a wide range of educational resources. As a result, our students develop essential digital skills and adapt to the evolving technological landscape.

■ **What are the criteria while hiring faculty at your school?**

We believe that teachers play a crucial role beyond teaching their assigned subjects. We seek hardworking, organized, team-oriented, and inquisitive individuals, preferably young learners, who are eager to embrace the

art of teaching. Our school employs a rigorous selection process to ensure that our teachers, whom we refer to as mentors, inspire our students to become lifelong learners.

■ **Could you share about parent-teacher rapport essential for a child's growth?**

We have developed a unique parent connect program that invites the entire family of each child to spend a day in the classroom. From the morning prayer to regular classes, parents remain with their child, gaining a first-hand understanding of the efforts made by our mentors and experiencing the hands-on learning taking place in our school. We highly value parents and recognize their involvement as one of the most valuable resources for enhancing the skills and growth of our learners.

■ **The way forward to create children of tomorrow?**

Inspired by the wisdom of author Kahlil Gibran, we firmly believe that children will blossom in the house of tomorrow, beyond our own imagination and even in our wildest dreams. Therefore, we place a strong emphasis on character development, equipping children with essential skills, fostering the right attitude, and nurturing resilience. We strive to prepare them to embrace any challenges that come their way, ensuring they are well-prepared to navigate the ever-changing landscape of life.

NEETA SHARMA
TGT Music

I, Neeta Sharma has been working as a TGT Music Teacher for over 22 years now at VBS, and the journey has been nothing but sort of a great lesson in itself that has shaped my personality as a teacher.

Upon completion of my Masters in Hindustani Music (Vocal) from University of Delhi and a 6th year Diploma from Prayag Sangeet Samiti, Allahabad.

VBS has always had me gripped with new challenges and the best part about taking on these challenges - they validate your profession and your efforts.

As a teacher my foremost aim is to see my students grow and perfect their skills through constant hard work and practice.

The numerous National and State awards that our school has won over these last two decades, expanding from Solo to Group categories, not only in Hindi, but Sanskrit and English as well, are all the proof of my constant hard work and honest service.

I have a profound knowledge of the various Ragas that exist in Hindustani Classical music and on the contrary, have worked with western elements as well over the years, which reflect on my diverse arena of skills. I have composed innumerable original compositions that have been well appreciated at National and State competitions and by my contemporaries.

I have written various poetic verses as well as songs and always encourage my students to take up on new challenges and not fear from trying new things.

I want to make Music a well-respected subject amongst the upcoming generations and want them to know about the traditional values associated with it, and how it has the power to express yourself truly and is not only an academic but a spiritual medium which can set you apart from others, and establish VBS as one of the top schools of NCR region.

SAVITA SWAMI
TGT Hindi

मेरा नाम सविता स्वामी है। मैंने हिंदी विषय में एम.ए तथा बी.एड (स्नातक शिक्षा) प्राप्त की है। गत 20 वर्षों से मैं विद्या भारती विद्यालय में टीजीटी हिंदी पद पर कार्यरत हूं। विद्यालय के अंतर्गत शुरुआत से ही मेरा यह प्रयास रहा है कि पढ़ाई में कमजोर विद्यार्थियों को अतिरिक्त समय देकर आगे बढ़ाया जाए उन्हें भी हर क्षेत्र में उन्नत किया जाए।

मैंने विद्यालय में हिंदी विषय से संबंधित बहुत-सी प्रतियोगिताओं को आयोजित कराने में योगदान दिया तथा विद्यार्थियों को भी पारंगत किया। मैंने हिंदी व संस्कृत विषय से संबंधित कई पुस्तकों को पढ़ा जैसे; संस्कृत-रघुवंश महाकाव्यम्, कादंबरी, कालिदास काव्यामृतम्, अभिज्ञान शाकुंतलम् आदि।

हिंदी- चंद्रगुप्त, मृगनयनी, गोदान, साकेत, कामायनी आदि। इसके अलावा जैसे; 'शहीदे आजम भगत सिंह' व 'अग्नि की उड़ान'।

मुझे कविताएं व नाटक लिखने का शौक है। मेरे द्वारा लिखा गया एक नाटक 'मेरा मजहब हिंदुस्त' विद्यालय के उत्सव में मंच पर प्रस्तुत किया गया।

मैं कक्षा पांचवी तक की हिंदी एचओडी भी हूं। मैं शिक्षिका इसीलिए बनना चाहती थी जिससे मैं अपने विद्यार्थियों का भविष्य उज्ज्वल बनाने का प्रयास कर सकूं जिससे मेरे प्यारे विद्यार्थी परिवार का, समाज का व देश का नाम रोशन कर सकें।

मैंने कई वर्ष पहले कर्नाटक राज्य का भ्रमण किया तथा वहां के बहुत से दर्शनीय स्थलों को देखा। कर्नाटक के महानगर मैसूर की स्वच्छता को देखकर मैंने यह सीखा कि हमें भी अपने आसपास के लोगों को प्रदूषण व स्वच्छता के प्रति जागरूक करना चाहिए।

Personal Information:

Born and raised in Delhi, I developed a deep appreciation for education's transformative power. Pursuing a Bachelor's degree in Education from Delhi University provided me with a strong foundation in pedagogy, child psychology, and the significance of creating a nurturing learning environment.

Educational Information:

My educational journey at Delhi University broadened my understanding of teaching methodologies and ignited my desire to make a difference in students' lives. Through coursework and practical experiences, I learned effective ways to engage students, foster critical thinking, and promote holistic development.

Professional Journey:

For the past 17 years, I have taught and guided students from diverse backgrounds. Witnessing their growth and achievements has been the most rewarding aspect of my career. Guiding them along their educational journeys and witnessing their personal and academic development has filled me with joy and pride.

Special Achievement:

Receiving the "Best New Teacher Award" in my joining year at Vidya Bharati School affirmed my dedication and commitment to education. This recognition from the school administration and my peers motivated me to continue making a positive impact in my students' lives.

Books I Read:

Influential books such as "My Experience with Truth" by Mahatma Gandhi and "Doglapan" by Ashneer Grover have provided profound insights into truth, self-reflection, and fostering a love for reading among students. These books have influenced my teaching approach and helped me establish meaningful connections with my students.

Place of Visit - Goa:

During a vacation, I had the privilege of visiting the breath-taking coastal paradise of Goa. Its pristine beaches, vibrant culture, and warm hospitality left an indelible impression on me. Exploring the charming streets of Old Goa, visiting stunning churches and temples, and immersing myself in the lively nightlife were cherished experiences. The laid-back lifestyle and serene coastal landscapes offered a sense of tranquillity and rejuvenation.

Ms. Amita Mehrotra
NTT

Personal & Educational Information

I, Amita Mehrotra, am delighted to introduce myself as a dedicated Wing Representative and Pre-Primary teacher. With a passion for education, I have been actively involved in nurturing young minds and fostering their holistic development from past 30 years.

I have always been passionate about education, and I hold a bachelor's degree. I further pursued my studies with a master's degree and professional degree.

Professional Journey

I chose teaching as my profession because of my genuine passion for making a positive difference in the lives of children. I started my career as a Pre-Primary teacher.

As I progressed in my career, I took on the role of a Wing Representative, where I had the opportunity to oversee the educational programs and activities for the pre-primary section. This role allowed me to combine my teaching skills with administrative responsibilities, ensuring that the curriculum and learning experiences provided to the students were of the highest quality.

My Achievements

Throughout my career, I have achieved several milestones and receive recognition for my contributions to education.

Implemented innovative teaching methodologies and child-centered curriculum enhancements that have greatly benefited the students.

Organized various events, inter school competitions, excursions and extracurricular activities, fostering a holistic learning experience for the students.

Conducted workshops, orientation programmes for parents to enhance their understanding of early childhood education and effective teaching strategies. Additionally, I have conducted professional development workshops for fellow teachers to enhance their skills and ensure continuous growth in the field of education.

My Vision for the school

My vision for the school is to cultivate a learning community where every child feels valued, nurtured, and empowered. I envision an inclusive environment that celebrates diversity and encourages collaboration, curiosity, creativity, and independent thinking.

Books are my soul mates.

"Mindset: The New Psychology of Success" by Carol S. Dweck.

I love travelling. Karwar, located in the coastal state of Karnataka. This picturesque town is blessed with stunning beaches, lush greenery, and a rich cultural heritage.

NTT

I am Manju Batra, a nursery teacher at Platinum Valley International School and have worked in this organization since 1986.

Qualification

I have done MA in Hindi from Meerut University and NTT from Bal Bharati Public School, Pusa road, Delhi.

Passion for teaching

Everyone has their own reason to choose a particular profession,

I became a teacher as it plays an important role in shaping the nation. I feel there is no other job as fulfilling as educating students in their early stages. Education builds a mannerly society and brings positive changes in the same.

Children are the future of the nation, there is a need to nurture them. Being in the teaching profession it is our responsibility to encourage the people to send their children to school so teachers can guide them.

Books I read

I like to read story books with moral values and share them with my students.

Places I Visited

I visited Nainital where I met one of my students randomly in a market, she invited me to her home for dinner and we had laughs about how she used to be when she was in school. One of my achievements is that no matter where my students go, they always remember me.

My Vision

The school is going to empower students to acquire value knowledge and life skills that will support them to contribute in the betterment of the society. It also aims to inspire students to reach their potential and become responsible global citizens.

Personal & Educational Information

I feel happy to introduce myself as a pre primary teacher with a wealth of experience spanning 29 years. Throughout my career, I have dedicated myself to shaping young minds, instilling a love for learning, and nurturing the potential of each and every student who has crossed my path.

Professional Journey

During my tenure as a pre primary teacher, I have had the privilege of witnessing countless achievements among my students. From academic successes to personal growth and development, it has been incredibly rewarding to witness their progress and see them flourish into confident individuals. One of my greatest achievements as a teacher is creating a supportive and inclusive classroom environment that fosters a sense of belonging and encourages students to reach their full potential.

My Achievements

In terms of my duties as a pre primary teacher, I have undertaken various responsibilities over the years. These include designing and implementing engaging lesson plans tailored to the needs of diverse learners, providing individualized support to students who require additional assistance, conducting assessments to monitor progress, and collaborating with parents and fellow educators to ensure a well-rounded educational experience.

I have had the opportunity to visit Springdales School, Bal Bharati school and workshops to enhance my teaching skills. I learnt child-centered and project-based approach to learning, which promotes creativity, critical thinking and collaboration.

Books I Read

One of the most influential books I have come across in my journey is "The Power of One" by Bryce Courtenay. This inspirational novel portrays the transformative journey of a young boy in South Africa during a time of racial discrimination and adversity.

My Vision for School

My vision for education is to create a nurturing and inclusive environment where every child feels valued, supported, and empowered to reach their full potential. I strive to inspire a lifelong love for learning, encourage critical thinking. By equipping students with the necessary skills and knowledge, I aim to prepare them to become responsible and compassionate global citizens who will contribute positively to society.

English Department

As an head of English department my task is but not limited to prepare, monitor and update annual departmental plans in consultation with my colleagues.

Take the lead in ensuring that school policies and strategies are embedded in schemes of academic work and departmental plans. Lead the department, inducting, developing, deploying, motivating and appraising staff where relevant to ensure that they have clear expectations of their roles, and that high standards are achieved and maintained.

Above all to encourage members of the department to develop their leadership potential and to share and develop new ideas. Manage day to day requirements such as ensuring accurate records are kept and delegating as appropriate to ensure the efficiency of the department.

Regularly review departmental policy and practice to ensure that they are used

effectively, as well as share and develop ideas. My team work day and night in order to promote excellence in teaching and learning to ensure all pupils develop their potential.

Together we all ensure that a suitable learning environment is provided for students to develop English language skills. We also ensure that within the department individual pupil progress is

regularly assessed and recorded and used to improve teaching.

Computer Department

I am pleased to present a report on the activities and achievements of the Computer Department in our institution. The department consists of three dedicated faculty members: Tanu (MCA), Anchal (B Tech), and My self Sunita Sharma (MCA) Together, we have made significant contributions to the field of computer science education and have played an active role in enhancing the technological skills of both students and teachers.

Ethical Hackers Club:

We have successfully established and run an Ethical Hackers Club within the department. The club aims to create awareness about cybersecurity, ethical hacking, and data privacy among students. Through various activities and workshops, they have encouraged students to develop a strong understanding of the ethical aspects of hacking.

Workshops on Cyber Crimes:

The department has organized several workshops for students, focusing on current issues like cyber crimes. These workshops have equipped students with knowledge about the types of cyber crimes, preventive measures, and the importance of ethical online behavior. The faculty members have invited industry experts and law enforcement professionals to conduct these workshops, providing students with valuable insights.

Teaching and Training:

The faculty members of the Computer Department are responsible for teaching various subjects, including Computer Science, Informatics Practices, AI, and Robotics. Their expertise and dedication have fostered a positive learning environment and have helped students develop a strong foundation in these subjects. Additionally, they have gone beyond traditional teaching methods and trained mothers in basic computer skills, empowering them to become digitally literate.

Ms. SUNITA SHARMA
HOD Computer Departement

Multimedia Content Creation:

The department has actively contributed to school-related events by creating videos and PowerPoint presentations (PPTs) that enhance the overall experience. These multimedia resources have been utilized in events such as annual functions, parent-teacher meetings, and other school-wide programs. The faculty members have demonstrated creativity and technical skills in producing engaging content that aligns with the school's vision and objectives.

Computer Department

Involvement in Examination and Administrative Processes:

The Computer Department plays a crucial role in the school's examination processes, such as preparing question papers, evaluating answer scripts, and analyzing student performance. They also contribute to the development of the school's timetable and the implementation of the school's Enterprise Resource Planning (ERP) system. Their expertise in computer applications and management systems has greatly facilitated these administrative tasks.

Teacher Training:

Recognizing the importance of teacher development, the faculty members have taken initiatives to provide training to their colleagues. They have conducted workshops and sessions to enhance the digital literacy and teaching methodologies of other teachers in the school. These efforts have resulted in improved technological integration in classrooms and a more engaging learning experience for students.

In conclusion, the Computer Department has demonstrated exemplary dedication, expertise, and commitment in enriching the learning environment of our institution. Their efforts in promoting cybersecurity awareness, providing quality education, creating multimedia content, and contributing to administrative processes have been commendable. I extend my appreciation to the faculty members for their valuable contributions and look forward to further achievements in the future.

प्रिय साथियों और शैक्षिक समुदाय के सम्मानित सदस्यों,

मैं प्रीति शर्मा हिन्दी विभागाध्यक्ष (एचओडी) के रूप में अपने हिन्दी विभाग के सदस्यों के विषय में बताते हुए गौरवान्वित महसूस कर रही हूँ।

उच्च योग्य और समर्पित शिक्षकों की एक टीम के साथ काम करना मेरे लिए सौभाग्य की बात है, जो हमारे विभाग की रीढ़ हैं।

हमारे विभाग में श्रीमती सविता शर्मा, श्रीमती उर्मिला शर्मा, श्रीमती मंजू बत्रा, श्रीमती ऋतु मुखी, श्रीमती मीनाक्षी, डॉ॰ नरेंद्र सम्मिलित हैं। सभी शिक्षकगण अपने-अपने क्षेत्रों में विशेष पारंगत हैं और एम.ए. और बी.एड जैसी प्रभावशाली योग्यता रखते हैं। इसके अलावा, हम नवीनतम शैक्षिक प्रौद्योगिकियों और तकनीकों में अच्छी तरह से प्रशिक्षित हैं, यह सुनिश्चित करते हुए कि हम अपने छात्रों को सर्वोत्तम संभव शिक्षण अनुभव प्रदान करते हैं।

हमारे विभाग में, हम सहयोग और एक दूसरे से सीखने की शक्ति में दृढ़ता से विश्वास करते हैं। हम शांतिपूर्ण सहअस्तित्व की संस्कृति को प्रोत्साहित करते हैं, जहां प्रत्येक शिक्षक की विशेषज्ञता और अनूठी शिक्षण शैली हमारे छात्रों के समग्र विकास में योगदान करती है।

हमारे विभाग की एक पहचान व्यावसायिक विकास के प्रति हमारी प्रतिबद्धता है। हमने स्कूल परिसर के भीतर और बाहरी शैक्षिक संगठनों के सहयोग से कई सेमिनार और कार्यशालाएँ आयोजित की हैं। इन आयोजनों ने हमें नवीनतम शैक्षणिक दृष्टिकोण, शिक्षण रणनीतियों और भाषा के क्षेत्र में प्रगति से अवगत रहने में मदद की है।

इसके अलावा, हम स्कूल के भीतर विभिन्न कार्यक्रमों का आयोजन करने में बहुत गर्व महसूस करते हैं, जिसका उद्देश्य हिन्दी विषय के बारे में छात्रों की समझ को बढ़ाना और उनके भीतर भाषायी कौशलों का विकास करना है।

शैक्षिक यात्राओं और अतिथि व्याख्यानों से लेकर प्रश्नावली और वाद-विवाद तक, हम यह सुनिश्चित करते हैं कि हमारे छात्र कक्षा की सीमा से परे विषय वस्तु के साथ सक्रिय रूप से जुड़ें।

Music Department

As the HOD of Music Department my role is to ensure to get the best out of my team and develop new plans to increase the approach of Music as a subject, within the school curriculum.

I have been working at VBS for over 2 decades now, first half of which, I spent as the only teacher of music department.

It was only after 10 years that a team started to form and now we are a group of 4 - Ms. Neeta Sharma (Head vocalist), Mr. Anil Kumar (Rhythm), Mr. Muzzamil (Western vocalist) and Ms. Arti (Dance), working tirelessly, everyday.

Over the years, we've won numerous accolades both at State and National Level Competitions, in various categories, from solo to group singing, and songs based in Hindi, Sanskrit and English.

We've produced innumerable original compositions over the years and still keep trying to outdo ourselves every time. There is a certain amount of zeal spread across the team, which keeps us going.

Apart from competitions, the day to day task of ensuring the smooth flow of Morning Assemblies, which not only includes a well prepared choir,

but the need to provide background music and fillers to make the assembly pleasant; preparation of annual as well as special events – we consider the role of our department within the school premises really essential.

Ms Neeta Sharma
Head of Music Department

Music Department

. Our approach with music isn't very rigid, rather very accepting and progressive. Being trained as a classical vocalist, I have never kept myself from trying different and new things, and encourage my colleagues to do the same, as it is best to walk hand in hand with the new changes and still not leave your roots behind.

What we aim for the students is to train them and make them known about the traditional aspects of music but in a way so that it does not feel forced. To know what they like and to let them grow in their own respective fields of choice, and polish them. It is important to analyse what a child needs, as every child is different. Music provides them the opportunity to express themselves freely and get known for their talents.

We wish to always work with the same passion towards our craft and look for improvements within the department.

About the special features and special achievements of Art department

The art department of Vidya Bharati School is the most prolific and extraordinary gloaming department. It has two well-equipped beautiful workplaces where students expressed their creativity, Innovative ideas spontaneously through different mediums of art. The air-conditioned art room has provided special spaces for students to keep their art materials, files, portfolios, etc.

The art department framed a curriculum to ensure it meets educational standards and promotes creativity and skill development. We developed a positive and collaborative working environment. We collaborate with other departments and teachers to integrate art into interdisciplinary projects and initiatives. Encourage cross-curricular connections and opportunities for students to explore art in different contexts. The art department Provides guidance to students regarding their artistic development, career options, and college applications, offers advice and feedback on their artwork, and encourages creativity and exploration. We organize and promote art exhibitions, showcases, and events within the school to highlight student artwork and foster a sense of community and appreciation for the arts.

The art department celebrates the achievements of the students to participate in local, regional, and national art competitions. We also organized and hosted art exhibitions within the school to provide a platform for students to showcase their artwork to a wider audience. Our students visited monuments, historical places, museums, and galleries, fostering a connection between the school and the broader community. The art department also has a connection with the alumni of the school who were engaged in the fields of art, architecture, design, and fashion.

Dr Anoop Kr Chanad
Head of Art Department

Art Department

In this regard in the month of December 2022, Vidya Bharati School organized a two days mega event “Chitra Utsav”, the festival of colours, in which ten professional contemporary artists from different parts of the country has join hands with us. Along with them all the students of the school, teachers, and the management staff of the school joined in this event and created masterpieces from their hearts. In the two-day "Chitrotsav", more than a thousand children from about fifty schools in Delhi and Ghaziabad participated in various art competitions and received prizes. Renowned painters of the country created various paintings in the school for two days and also made the students aware of their artistic experiences.

Rather than me, the founder teacher of the school Mr. Manoj Kumar Sharma, who is an extraordinary calligraphist and the finest artist of oil painting served in this department. Another teacher Ms. Moitreyee Kumar is an extraordinarily talented artist also part of this department, having a great talent for making caricatures, portraits, and expertise in pencil and pastel drawings. We all together have created an artistic environment all around the school from tiny tots to most elder senior secondary students. Our teachers also attended art exhibitions, artist’s camps, workshops, conferences, and professional development opportunities to enhance their knowledge and skills as art educators.

Behind all these prolific developments and events is our creative mind the honourable general secretary of the school Dr. Alam Ali Sisodia, who has always put his special generosity towards the wholesome expansion of the art department. We maintain an open line of communication with students, parents, teachers, and administrators. As a team, we all made this campus an artistic atmosphere where everyone is appreciated and involved and regale.

डॉ. आलम ए. सिसोदिया जाने-माने कानूनी सलाहकार हैं और विद्या भारती स्कूल के महासचिव हैं। शिक्षा के क्षेत्र में उनके योगदान से कई सकारात्मक बदलाव आए हैं और विद्यार्थियों का जीवन बेहतर हुआ है। बतौर जनरल सेक्रेटरी 'होलीस्टिक एजुकेशन' को आगे बढ़ाकर वे शिक्षा के क्षेत्र में एक क्रांतिकारी बदलाव लाए हैं। 'होलीस्टिक एजुकेशन' में एकेडेमिक उत्कृष्टता के साथ-साथ व्यक्तिगत विकास और मूल्य आधारित शिक्षा शामिल है। डॉ. सिसोदिया का नेतृत्व बताता है कि कैसे कड़ी मेहनत और समर्पण में सबकुछ बदल देने की ताकत होती है। उनसे बातचीत:

■ शिक्षा के क्षेत्र में चुनौतियां लगातार बढ़ रही हैं। वर्तमान में शिक्षा क्षेत्र के हालात के बारे में आपकी क्या सोच है?

एक ज़माने में ज्ञान पर अधिकार करना और उसका संदर्भ समझ लेना जीवन में सफलता का मूलमंत्र हुआ करता था। लेकिन आज, 21^{वीं} सदी में, जानकारी या ज्ञान अकेला पर्याप्त नहीं है। आज यह ज़रूरी है कि उस जानकारी या ज्ञान को कारगर तरीके से इस्तेमाल के लिए आपके पास ज़रूरी स्किल्स या कुशलताएं हों। फिर सही नज़रिया भी चाहिए ताकि आप लगातार बदल रही और आगे बढ़ रही दुनिया में अपना विकास कर पाएं।

■ आज की शिक्षा पाठ्यपुस्तकों के पृष्ठों और क्लासरूम से परे जा चुकी है। ऐसे में विद्या भारती अपने विद्यार्थियों को क्लास में और उससे बाहर कैसे सीखने-सिखाने की प्रक्रिया चला रहा है?

विद्या भारती में शिक्षा परंपरागत पाठ्यपुस्तकों और क्लासरूम से आगे निकल चुकी है। हमने अपने यहां इंटरएक्टिव टच पैनेल और हार्ड-एंड कंप्यूटरों के जरिए पढ़ाई-लिखाई की प्रक्रिया में वर्चुअल वर्ल्ड को जोड़ा है। हम एक महत्वपूर्ण औजार के रूप में अपने विद्यार्थियों को सोशल मीडिया सहित, डिजिटल मीडिया की ताकत का फायदा उठाने के लिए प्रोत्साहित करते हैं।

■ आज शिक्षा की नई अवधारणा के तहत स्किल हासिल करने पर ज़ोर दिया जाता है। आपके स्कूल का विज़न और मिशन इसके साथ कैसे जुड़ा है?

हमारा मिशन है विद्यार्थियों को इस तरह सशक्त बनाना कि वे ज़रूरी ज्ञान, स्किल और मूल्यों को सीख सकें व उनका इस्तेमाल कर सकें। उन्हें इस तरह तैयार करना कि वे लाइफलॉन्ग लर्नर बनें और वैश्विक समुदाय के साथ साझेदारी कर सकें व उसमें अपना योगदान दे सकें।

■ विद्यार्थियों को पाठ्यपुस्तक और व्यावहारिक ज्ञान, दोनों का सर्वश्रेष्ठ मिले, यह सुनिश्चित करने के लिए आपके स्कूल ने क्या पहल की है?

इसके लिए हमने कई तरह की पहल लागू की हैं। हमारी पाठ्यपुस्तकों में अब लर्निंग का व्यावहारिक पक्ष शामिल होता है। इससे शिक्षा का संपूर्ण अनुभव सुनिश्चित होता है। इसके साथ ही हम विद्यार्थियों को कई तरह के प्रैक्टिकल रिसोर्स उपलब्ध कराते हैं, जैसे – स्कूल रेडियो, एक डिजिटल वीडियो चैनल, रोबोटिक्स, सोशल साइंस, मैथ्स और डिजिटल आर्ट व एनिमेशन लैबोरेटरी। इनके जरिए विद्यार्थियों को खुद प्रयोग करके सीखने के मौके मिलते हैं, इस तरह पाठ्यपुस्तकों की पढ़ाई यहां पूरी हो जाती है।

■ कहते हैं कि स्वस्थ शरीर और स्वस्थ मन किसी बच्चे के समुचित विकास के लिए अनिवार्य होते हैं। बच्चों की शारीरिक शिक्षा और उनके मानसिक विकास के लिए आप लोग क्या करते हैं?

हमने अपने यहां खेलों की रणनीति को नए सिरे से तैयार किया है। इसके तहत हम एक ही आयुवर्ग के करीब 250 बच्चों को एक साथ 90 मिनट के लिए एक विशेषज्ञ कोच की देखरेख में गेम खिलाते हैं। हर गेम में दो टीमों होती हैं जो बच्चों के साथ लगातार मैच खेलती हैं। हमारा ध्यान इस तरफ है कि बच्चों की शारीरिक कसरत से उनमें कोई स्किल विकसित की जाए, जैसे टीमवर्क, अलर्टनेस, निर्णय लेने की क्षमता का विकास और आपसी सहयोग शामिल हैं।

■ आपका स्कूल स्मार्ट लर्निंग और स्मार्ट क्लासेज के लिए टेक्नॉलजी का फायदा कैसे उठा रहा है?

हमारे यहां स्मार्ट क्लासेज में इंटरएक्टिव और मल्टीमीडिया टीचिंग मैथड को अपनाया गया है ताकि विद्यार्थियों का सीखने-समझने का अनुभव बेहतर हो। यह तरीका विद्यार्थियों की एंगेजमेंट और इंटरएक्टिविटी को बढ़ावा देता है, साथ ही

डॉ. आलम ए. सिसोदिया
महासचिव, विद्या भारती स्कूल

एजुकेशनल रिसोर्सेज की एक विस्तृत रेंज तक उनको पहुंच देता है।

■ स्कूल में फैकल्टी चुनते समय आपके मानदंड क्या रहते हैं?

हमारा मानना है कि शिक्षक अपने-अपने विषय पढ़ाने के अलावा भी बहुत महत्वपूर्ण भूमिका निभाते हैं। हम मेहनती, सुलझे हुए, टीम ओरिएंटेड और जिज्ञासु प्रवृत्ति के लोगों को, जो पढ़ाने की कला को अपनाना चाहते हों, प्राथमिकता देते हैं। हमारे स्कूल में शिक्षकों के चयन की प्रक्रिया काफी सख्त है और इससे हम सुनिश्चित करते हैं कि हमारे शिक्षक, जिन्हें हम मेंटॉर कहते हैं, विद्यार्थियों को लाइफलॉन्ग लर्नर बनने के लिए प्रेरित कर सकें।

■ घरों में विद्यार्थियों को बेहतर माहौल मिले इसके लिए आजकल पेरेंट-टीचर के बीच संवाद और काउंसलिंग की काफी अहमियत हो गई है। इस बारे में आप क्या कहेंगे?

हमने अपने यहां एक यूनीक पेरेंट कनेक्ट प्रोग्राम शुरू किया है जिसके तहत हर विद्यार्थी के पूरे परिवार को एक दिन उसके क्लासरूम में बिताने के लिए आमंत्रित किया जाता है। मॉर्निंग प्रेयर से लेकर रेगुलर क्लास तक पेरेंट अपने बच्चे के साथ रहते हैं और खुद से यह समझते हैं कि हमारे मेंटॉर विद्यार्थियों के लिए क्या करते हैं और स्कूल में पढ़ाई-लिखाई कैसे होती है।
